

A detailed botanical illustration of a meadow and seashore scene. The background is a light blue sky. In the foreground, there are several pink daisy-like flowers with dark brown centers, some with bees on them. To the right, there are blue forget-me-nots and other small blue flowers. A purple seashell is visible near the top center. A blue butterfly is also present. The title 'Meadow & Seashore' is written in a light brown, serif font, arching over the top of the illustration.
